NOVEMBER NEWSLETTER ROOM 4

Dear Families,

Our class celebration for the harvest season will be on November 16th. We will be celebrating with "Stone Soup." You will be asked to bring in a portion of our meal to make our soup. Please remember that the ingredients will need to be partially cooked and brought in the day of the celebration. Watch for the sign-up on the door.

This month we are learning about the positive character trait respect: how you treat both others and yourself. We'll start the month by talking about self respect. After all, you can't really respect others until you learn to respect yourself. From there we'll talk about respecting other people, property, and mother nature.

IMPORTANT CLASSROOM DATES AND REMINDERS

I'm looking for a volunteer who is willing to go to the public library and bring books to our classroom on a monthly basis.

Our harvest celebration is on November 16th — we are making Stone Soup for lunch!

Remember that our classroom library day is Tuesdays. Please return books to the shelf by the door.

IMPORTANT ALL SCHOOL DATES AND REMINDERS
