## Unlocking Montessori Magic: Where Learning Meets Exploration

Summers at Montessori Academy Idaho are a journey of self-discovery designed to empower our campers to explore subjects that ignite their passion and curiosity. Using the essential tenets of the Montessori approach to elementary education, our project-based learning camp puts critical thinking, meaningful collaboration, and deep engagement at center stage - fueling curiosity and fostering mastery.

Each learning theme starts with a lesson designed to awaken curiosity and inspire students. It culminates with a public audience - allowing our students to showcase their deep understanding and share their discoveries with pride. Our cross-curricular approach and off-campus excursions mean all subjects are addressed and explored with fun.

Summer at Montessori Academy Idaho is not a passive endeavor but a thrilling adventure. We invite your child to unlock the magic of Montessori, where hands-on exploration and the pursuit of knowledge come together to create epic moments and lifelong learners.

### Payment Policy:

One week's tuition is due at time of enrollment. We will apply the deposit to the final week of camp. Weekly camp fees are due every Monday morning at drop-off. We will charge a \$25 late fee if payment is not received by 12 pm Tuesday. Field trips will incur varying additional fees.

### Cancellation Policy:

If you enroll in camp and your plans change, you can receive a full refund/credit for camp tuition, less registration fee. **Program change request must be received 2 weeks prior to enrolled camp week start date.** Participants who do not attend their registered camp week, or who do not contact us to cancel two weeks prior to start date, will not receive a refund or credit. By submitting your payment, you are agreeing to the policy outlined above.

## Summer Olympics

In this camp, students will delve into the captivating history of the Summer Olympics, tracing its origins and evolution through time. They'll explore the significant events that have shaped this global celebration of sports and the athletes who inspire us all.

**Week offered: Week of June 30**  
**On-Campus Sports Events/Dress Up Day**

## Architecture

Join our Montessori Design Camp, "Architects in Action," where design, creativity, and problem-solving take center stage! In this camp, students collaborate to master the art of planning building layouts, roads, parks, and other features, all while considering functionality and aesthetics.

**Week offered: Week of July 7**  
**In-School Presentation: Engineer Guest Speaker**

## Space

Ready for an out-of-this-world adventure? Prepare to go to the far reaches of the universe and dive into the mysteries of space. Our campers will become astronauts and take a hands-on learning approach as they design and construct everything from model rockets to space habitats.

**Week offered: Week of July 14**

**Student designed museum / Off campus: Planetarium**

## National Park

Prepare for an exhilarating journey back in time, where the mysteries of ancient civilizations await discovery! In our camp, students will become modern-day archaeologists, developing essential skills and knowledge about how archaeologists meticulously unearth artifacts and decode their stories to unveil the wonders of ancient civilizations.

**Week offered: Week of July 21**

**In-School Presentation: BLM Visitor - Fire/Water Safety**

## Ocean Explorers Camp

Dive into a world of wonder and discovery with our Montessori Ocean Explorers Camp! This unique summer experience will immerse your child in the fascinating world of oceanography - exploring ocean zones, ocean layers, ocean ecosystems, marine animals, and their habitats.

Our hands-on exploration will ignite their curiosity and love for science. Join us Under the Sea!

**Week offered: Week of July 28**  
**Water Day / Fish Park (MK Nature Center)**

## Archaeology

Prepare for an exhilarating journey back in time, where the mysteries of ancient civilizations await discovery! In our camp, students will become modern-day archaeologists, developing essential skills and knowledge about how archaeologists meticulously unearth artifacts and decode their stories to unveil the wonders of ancient civilizations.

**Week offered: Week of August 4**  
**BSU Workshop**

**Project-based learning  
is a great way to spend  
your summer with fun  
and purpose!**
