

# MONTESSORI ACADEMY

## OCTOBER NEWSLETTER Room 7

My Beautiful Families,

Fall is here! Fall is the most beautiful time of year. Enjoy walking and playing with your child in this gorgeous, autumn weather.

September came and went. Homework is off to a great start. Thank you for all your extra time you spend with your child on math and literacy. It helps me be able to challenge your child in awesome and fun new lessons. We are a team, working together to give your child the best educational journey. I can't wait to see you at the Spaghetti Social on October 3rd from 5:30-7:30 p.m. and the Farmstead Night on October 9th from 4-9 p.m. I love how strong our community is! We are having a Wax Museum on October 30th from 6-7 p.m., where your child chooses an historical figure, dresses up like that figure, and does a presentation of their figure for everyone who attends. See an email coming soon with more details. I am proud to announce Room 7 is getting a new assistant, Ms. Anna, on October 5th. I know the students and parents will make her feel welcome.

1st grade is working on addition, skip counting, rhyming words, and different types of lines. 2nd grade is working on subtraction, possessive and abstract nouns, and different types of angles. 3rd grade is working on multiplication, in depth grammar work, and parts of polygons. As a class, we will be doing awesome science experiments on the states of matter, and also be doing lessons on our universe.

### IMPORTANT CLASSROOM DATES AND REMINDERS

#### Birthdays:

John Maxson- Oct. 21

\*\*Please be discussing with your child who they would like to be for the Wax Museum.
