

NOVEMBER NEWSLETTER ROOM 9

Dear Families,

We have another busy month in store! Our class will be performing our play "Stone Soup". We are scheduled to perform on November 16. The show will be at eleven as we are performing for the entire school community. This is a school tradition that everyone looks forward to!

We will also have our Stone Soup Community lunch on November 20 at noon. This is not a parent event but we will need everyone to sign up to bring an ingredient for our soup. Look for sign up sheet soon. We additionally can use one to two volunteers to help set the tables and serve. The soup making will happen in class that morning. Let me know if you can help!

We have another opportunity for community service! Our class is signed up for Rake Up Boise and that will occur on November 9th at 12:30. Please dress for weather and bring a rake labeled with your child's name. We will also need drivers for three kids and students need to be all caught up on work to attend. We are excited to get out and serve our community again this year!

We have some amazing work happening in our class this month. The fourths are finishing up long division as well as studying the Periodic Table and parts of a cell. The fifths are about to abstract square root and are looking at different civilizations through the Iron and Classical Age. The sixth year students are deep into our cubing sequence and working on Island Project. We stay busy!
