

JANUARY NEWSLETTER ROOM 8

Dear Families,

I hope you had a fun filled and relaxing break. My family visited the Y and went to Bogus. We got to see Jill at the Lodge while Josie and Josh practiced their skiing skills. I enjoyed a lot of family time with no schedule.

January is a great time for teachers. Students come back re energized and ready to learn. They know their classroom, routines and classmates. They are ready to dig deep on projects. In class, we will start one of Montessori's coolest lessons: Time Line of Life. We learn about Geologic time and the living beings that have inhabited the Earth. Let's get rollin'!

Please help your child be aware of the weather and what gear they need to enjoy recess time.
