

JANUARY NEWSLETTER ROOM 9

Dear Families,

Happy New Year! I hope everyone had a fun and restful break! This month we will have a few community service projects going. We will deliver the pajama party for Women's and Children's Alliance on January 16th. The collection bin is visible in the hallway. If you can contribute we would really appreciate the gesture. Lots of after holiday sales are going on right now! We will also be helping our kindergarten community with a fundraiser for the Humane Society. We will help them make and sell dog treats and the funds will go directly to the Humane Society. More details to come.

This month our fourth year students will complete the cross multiplication sequence. Make sure you ask them to show you a problem. It's quite impressive! Our fifth year students will learn order of operations and begin integer work. The sixth year students will start our cube root process.

Boise Rock has been working hard with our entire elementary community and will be presenting "A Night With the Beatles"! It will take place at the church across the parking lot. The show is January 24, it starts at 6:00 but we would like all students to arrive by 5:45 so they can get in place. Details will come soon about what attire we'd like them to wear for show night!

See me with questions!
