Units of Study for March

Geography to Zoology

For March we will begin our study of the continent of Australia. We will learn about some of the animals, the customs and the flags of this incredible continent.

We will also begin our study of SHARKS!

Biology

We continue our study of vegetables and begin an exploration into the study of seeds. Please bring in any potting soil and/or old small potting containers that you might want to donate to the classroom.

Arts

The artist of the month is Andy Warhol. We will also create St. Patrick's Day treasures.

Music

We will listen to Irish music including Irish Folk music. Miss Kacie will lead this month's music study.

Note from Miss Laura

Dear Parents,

Please remember Library is Monday morning and Spanish on Fridays 9:00-9:30. May Spring bring you many warm days and warm wishes alike!
