11 (school wide)**
- **Irish Step Per-
formance March
14**
- **Spring Break,
March 18-22**
- **K Field Trip: MK
Nature Center
March 26**

Geography/Cultures

We will be studying the continent Africa this month. We have puzzles, three part cards, and pictures that we will be using. Our studies will help us to identify the continent geographically and learn about the people and culture. We will also explore the flags, animals and countries in Africa.

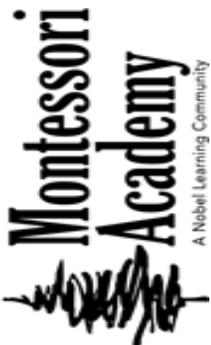

Arts

Our artist for the month of March, famous for his surrealist paintings, is Belgian born Rene Magritte. We will study and discuss some of his beautiful paintings. In music this month, we will be learning about the Italian Baroque composer, Antonio Vivaldi. We appreciate anything you have to contribute to our studies this month.

A Few Notes

Can you believe it is March already? Spring Break is fast approaching. Keep an eye out for the childcare sign-up sheet if you are in need, it will be in the front office.
