

MARCH NEWSLETTER ROOM 7

A note to Parents:

Thank you for all of the beautiful Valentines and goodies received from you and your children! We had a lot of love around the room! As always, thank you for all you do to help and support our classroom on a daily basis.

Unit Study: Sign Language

We will learn the American manual alphabet, pets & animals, snacks & foods along with some phrases and songs using sign.

Did you know? more than 15 million people in the US have a hearing loss of some degree and nearly 2 million people in the US are considered deaf.

Kindergarten Unit Study: writing stories

They are learning the concept of how to write a story: illustrations, title, beginning (who, what, where) middle (what happens) and ending (how does it end?) of a story. Capitalization, spelling and punctuation are lessons learned along with story writing. Be on the look-out for their creations!
