

APRIL NEWSLETTER ROOM 1

Dear Room 1 Parents:

We still need rain boots for muddy spring days, please.

As the season changes, we also want to remind you about our policy for playground shoes: shoes or sandals that have Closed Toes are the best for running, climbing and preventing accidents. Tennis shoes and Keen-type sandals work better than Crocs. If your child wants to wear open toed sandals in the classroom, please bring a closed toe pair or leave a pair at school for changing.

Some Spring Songs that we sing:

The Robin Song (Itsy Bitsy Spider Tune)

The robin in the pine tree sings a merry tune. The crocus on the hillside, tulips coming soon.

The robin sings of sunshine, winter time is past. It's time to build a nest, Spring is here at last.

The Popcorn Song

I looked out the window and what did I see, Popcorn popping on the crab-apple tree.

Spring has brought us such a nice surprise, Popcorn popping right before my eyes.

I could take a handful and make a treat, A popcorn treat that would smell so sweet.

It isn't really so, but it seemed to be, Popcorn popping on the crab-apple tree.

Miss Rose and Miss Julia

We are Closed for Parent/Teacher Conferences —Thursday &Friday, April 25th and 26th.
Sign-up sheets will be posted on the counter by our classroom door.
