

## APRIL 2019 NEWSLETTER

*Reflections on March* We really got our creative juices flowing in March. We looked at many different artists and styles and had so many opinions from “I don’t like that” to “that is beautiful” We stretched our brains outside the box from Picasso to Graffiti to Bob Ross (ah...is that art? Some say yes, some say no) and transforming a single black dot into a one of a kind piece of art . Please take a moment to visit our GALLERY (Classroom). The kindergartener’s work is on display throughout our classroom!

**On the Horizon-April** In addition to all the amazing Montessori work, we will be celebrating SPRING! We will be planting, looking at insects, exploring the layers of the earth, parts of rivers and mountains, parts of trees and delving into what Earth Day is all about!

So nice to put away all our snow gear and lighten up our clothing load. It is still chilly in the mornings so please keep that in mind when sending your child to school. We go outside in all weather so please send your child prepared for the weather of the day. It is warm in the afternoons but still chilly in the mornings. Please make sure all items are labeled.

### IMPORTANT ALL SCHOOL DATES AND REMINDERS
