Teacher Conferences
(Childcare available dur-
ing conference time on-
ly)

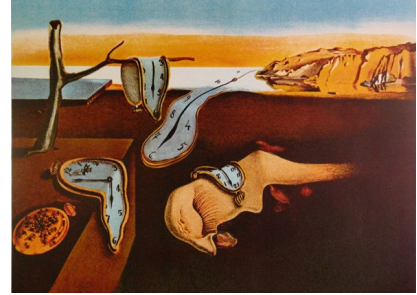

Units of Study for April

Geography

We will begin our studies of Europe. The children will learn about famous European landmarks and animals living there. If you have anything from Europe that you would like to share, please bring it in!

Science

We will learn about the Parts of a bird and learn how to identify and classify various birds that live in Idaho.

Arts

The artist of the month is Salvador Dali.

Cultural

Remember Earth Day is April 22nd. We will be discussing different ways to help out our environment and how we can make it a better and cleaner place to live. Be brainstorming ideas with your kids at home so they can share with us in class.

Miss Laura

Miss Tiffani
