Geography/Cultures

We will be studying Australia this month. We have puzzles, three part cards, and pictures that we will be using in our studies to help identify the continent geographically and learn about the people and culture. We will also explore the flags and animals who inhabit Australia.

Arts

We will be looking more at the art of Vincent Willem Van Gogh, who was a Dutch Impressionist painter. In music, this month, we will be learning about the German composer and pianist, Johannes Brahms of the Romantic period.

Science

We will be talking about the many different parts of a flower and of a tree. With Earth Day approaching on April 22nd, we will also discuss different ways to help out our environment and how we can make it a better and cleaner place.

A Few Notes

Well, we're already to April; it goes by so fast! Keep an eye out for parent teacher conference sign ups. They will be the 25th and 26th. The school will be closed but childcare will be provided for your child while you are in your conference. Thanks again for all you do to keep our classroom running smoothly.
