

APRIL 2019 NEWSLETTER ROOM 6

Spring into April!

I hope everyone enjoyed their spring break out in the nice Idaho spring weather. We will go outside rain or shine, so please remember to bring a light jacket for our recess time!

This month we will study the parts of a bird and learn how to identify and classify various birds that live in Idaho.

We will also begin our studies of Europe. The children will learn about famous European landmarks and animals living there. If you have anything from Europe that you would like to share, please bring it in!

Earth Day is on April 22nd! We will discuss different ways to help our environment as well as what we can do to make it a better and cleaner place to live.

Monthly Artist: Salvador Dali!
