

## MAY 2019 NEWSLETTER

**Reflections on April** Our ladybug release was a great success! Our ladybug larve in our classroom are thriving and we are enjoying the transformation. We planted grass and that is also thriving as the kids take turns watering. Some of us created rain in a cup as we explored the water

cycle. We also talked a lot about Earth Day.

**On the Horizon-May** This month we will continue to care for our ladybug larve and our grass. We will create our garden art that we are making out of the recycled bottle caps we collected. Of course we will continue working with our Montessori Curriculum and this month we will take a closer look at the parts of a book writing using T.R.E.E. (Topic, Reasons, Explain, End).

We go outside in ALL weather (except extremes). Please send your child to school prepared for the weather of the day/season. It is warm in the afternoons but mornings are still quite chilly .

It was so wonderful to meet with all of you during conferences!

### IMPORTANT CLASSROOM DATES AND REMINDERS

**May 9th**—Mother's Day "Tea". Please join us from 9am-10am for coffee, lemonade and croissants. Feel free to dress up!
