Summer sunshine, it’s so hot, find a tree with a shady spot.

Butterfly, butterfly, flying around, Up in the bushes, down by the ground.

Flying up high, flying down low, Flying fast, flying slow.

Butterfly, butterfly, I want to know, Where do you fly and where do you go?

Ladybug, ladybug, she crawled up my arm,

Up onto my shoulder, and over to my chin.

Ladybug, ladybug, she crawled on my knee,

Then she flew away.

Ladybug, ladybug, she crawled down my leg,

Down onto my toes, and over to my elbow.

Ladybug, ladybug, she crawled on my head,

Then she flew away.

Oh, ladybug, oh, ladybug, Oh won’t you be my friend.

Oh, ladybug, oh, ladybug, Won’t you come and visit me again.

Upcoming classroom visits and transition plans will be arranged individually with Miss Rose, in consultation with Miss Lila and the primary teachers.
