Welcome to Rooms 3 and 4 Summer Camps! We are very excited to welcome new and returning kiddos!! At the beginning of each week we will be doing fun little skits as one way to teach grace and courtesy. Grace and courtesy lessons are important because they set the foundation for a positive and fun classroom environment.

This summer we will be having some fun cooking! We will be making pizzas, including desert pizzas.

We look forward to fun filled days with your wonderful kiddos!

Calling all architects! We will be going from design stage to building while creating animal dream homes. We will also be incorporating ART and MOVEMENT in our summer activities!

This summer we are excited to have a variety of in house field trips including; face painters, an animal show, a hair color party, the Boise police visit and a dog agility presentation!
