

JUNE 2019 NEWSLETTER ROOM 6

Happy June!

We had a great year and I would like to thank you all for all of your support and hard work ! It has been exciting watching your children learn and grow to their potential in a Montessori Environment!

Please remember your child needs to have CLOSED TOED SHOES in order to participate on the playground!

This month we will study the United States of America. We will talk about landmarks, names of states, state flags, and other fun facts. If you have any educational items relating to this topic, please feel to bring them in to share.

We will also study the lifecycle and parts of a bee and a flower!

The Kindergarteners will be introduced to cursive handwriting, which has been shown to improve brain development in the areas of thinking, language, and working memory!

For those that are graduating from Kindergarten, I know you will do great in first grade and invite you to visit anytime! For those of you who are returning in the Fall, enjoy your summer and we'll see you in August :)

Miss Kat Miss Olivia
