

JUNE NEWSLETTER ROOM 7

Dear Parents:

As we complete another school year we would like to extend our many thanks and appreciation for all the help and support throughout the year. This time can be a bit melancholy as we say goodbye to those who graduate and those who move on to other adventures. Have a wonderful summer!!

Room 7 would like to welcome 2 new classmates transitioning from Room 1. Clementine will join us in June and Maeve joins us in July.

Science Unit: Our insect unit will continue with art projects, writing, booklets, tracing and watching our Painted Lady caterpillars metamorphosis into butterflies.

The Kindergarteners will be making booklets after learning about land forms and animal classifications.

Practical life: We will be exploring our senses with herbs: Mexican Marjoram, lavender, lemon balm and chocolate mint. Additional shelf work includes tasting: sour, sweet, salty.
