

SEPTEMBER NEWSLETTER ROOM 1

Dear Families,

We are so excited to see our returning families as well as some new families. Please take a moment to check out the parent board for all important information and classroom needs for the month.

Our school day begins at 9:00 am. Please be on time so your child can get the most out of our program. If you arrive after 9:00 am please say your goodbyes in the hallway and allow your child to quietly enter the classroom on their own. Ms. Nicky will be close to the door to assist if needed. This is very important, as it is very distracting for the children when parents walk in after group has begun. Also, please give your child the opportunity to carry their belongings in and out of the classroom. Due to lack of room in our cubbies, please don't use backpacks.

If your child is staying with us for the full day and is not a Kindergartener, they will need to bring bedding. Bedding should easily fit in the bedding bag provided by the school. A crib sheet and small blanket are best. Remember, they will also be packing away their own bedding. The less they have to pack away, the easier it will be for them.

During these first few weeks we will be going over our classroom rules and working on building our community. We will work on getting into a routine and giving a lot of lessons on grace and courtesy.

Our focus this month will be on beginning practical life and sensorial exercises. We will also be studying space and will work on our first graph as a class.

Cheers! Ms Laura and Ms Nicky

IMPORTANT CLASSROOM REMINDERS

Please bring inside shoes. Slides, flats, or crocs work really well. The children will be changing their own shoes so please ensure that your child can easily put on whatever shoes they choose to bring. All shoes will be stored on the shoe shelf, not in cubbies.
