

SEPTEMBER NEWSLETTER ROOM 8

Dear Families,

Summer is coming to a close. The days are getting shorter, the evenings cooler, and the sunsets are beautiful. It is a transition time from the fun energetic summer to the calm and celebratory fall.

In the classroom we will start the first two weeks getting acquainted with each other and the classroom through games, activities and projects. We will also remind ourselves about how fun it can be to learn and discover by exploring our interests and reviewing concepts. Finally, we will set some personal goals of where we want to focus our growth this year.

We would like to congratulate Maddie Wonacott for taking her Elementary Montessori Training in Salt Lake City. We are super excited that she will be joining Room 8 for her internship year. Kendra will be working in Room 10 with Ms. Judy. We will miss her! Anne will continue to provide her indispensable knowledge and experience as our reading specialist with both Elementary 1 classrooms. Justin will continue as our Vanguard Teacher and will be working with the whole school to integrate and enhance our curriculum and technology use.

Please help me welcome our new Room 8 Students:

Wyatt VanGriffen
Thomas Melchor II

Thomas Melchor
Reiji Maruyama

Koa Iupati
Ryan Bader
