2019

Welcome to the last month of Summer Camp!

Dates To Remember

**BRING YOUR SUIT
AND TOWEL and A
CHANGE OF
CLOTHES!**

August 2nd

WATER PLAY DAY

August 21st

WATER PLAY DAY

This will be a month filled with skills and knowledge about building. We will build with lots of different materials during “Build it Together” week. We will also build a travel-ticket station for our “Trek Around the World” week. We are excited to learn how to build good sportsmanship and even learn to build our own games during “Good Sport” week.

Our last week is devoted to “Trek Around the World” and will learn about some awesome places to go around the world. We will each make a passport! There will be a presentation about China and the incredible Irish Dancers will perform!

We always incorporate ART and MOVEMENT in our summer activities!

Welcome to our hot hot month of AUGUST! Bring your water bottles!
