

OCTOBER NEWSLETTER ROOM 7

Dear Wonderful Families,
What a lovely classroom we have this year! Students are listening to each other and working hard in the classroom. I enjoy getting to know their different personalities and hear stories of their lives.

We are doing cursive with Ms. Evis every Thursday. We have also started short work in class at 11:30, where we stop and work on math facts and reading sounds.

We have our big evening event, Wax Museum, on October 17. We will travel through history learning about historical figures that have made a positive impact in the world. We look forward to seeing you all there. The written assignment will be done at school, as well as the poster board. We will provide a poster for your child. They have been paired with a primary student. The primary student will help them with their poster board, and they have the option of standing up with them on the night of the 17th. We will have our first afternoon assembly October 4th at 1:00. Every first Friday of the month, it will be held in the afternoon so that our office staff can join our great community.

Sign-up for Parent Teacher conferences. I am looking forward to meeting with you, and talking all about your amazing child.
