

OCTOBER NEWSLETTER ROOM 10

Justin and I have had the privilege of getting to know your children on a much differing level. They are settling into routine of us switching on our rotating schedule and following the normal routines and expectations of the classroom.

In honor of the new fall season, we will study leaves and pumpkins. We will explore these topics through books, pictures, art, and other hands on activities. We will learn about the parts of a leaf and all the different types of leaves, the life cycle of a pumpkin, and continue our dialogue on Fall/Autumn.

We will be incorporating some cooking as we dissect a pumpkin and bake the seeds and would like to bake some pumpkin bread. If any of you would be willing to share a low sugar recipe, we will put us a community list for some supplies.

Lastly, **Parent/Teacher Conferences** will be on **Wednesday (evening) October 23rd, Thursday (afternoon/evening), October 24th and Friday (morning), October 25th**. Childcare will be available during your half-hour conference. Please keep an eye out for the sign-up sheets by the parent board in the classroom.

IMPORTANT CLASSROOM DATES AND REMINDERS

October 31st - Halloween Parade and Party

The children should come to school in their costumes (No Weapons, No Masks, No Face Paint). We will have a small parade around the school at 9:00am and then return to the class for snack, special crafts and work time.

*Please make sure that your child's costume is easy enough for them to use the bathroom and to change out of all by themselves. Remember to pack extra clothes!

**We are looking for someone who is willing to make a fun and healthy Halloween themed snack. Please let me know if you would like to do this.

Birthdays: Aeris, Oct. 7th and Ora, Oct. 26th

IMPORTANT ALL SCHOOL DATES AND REMINDERS

October 17th 6:30-7:30: Wax Museum
