

OCTOBER 2019 NEWSLETTER

We are in full swing!

REFLECTIONS ON SEPTEMBER: We have had a great start to the school year! Everyone is adjusting to saying goodbye to parents in the morning, new friends, classroom routines. We have been working on soft voices and being respectful with the materials and LEARNING! The kids have been doing work from pouring water to the decimal system!

OCTOBER: With Halloween around the corner, as we start to see skeletons everywhere, we will focus on the human body, specifically our bones. While they are presented as scary during this time of year, they are really SO awesome! We will also explore parts of a pumpkin and carve a jack-o-lantern.

The weather is getting cooler, please send your child with appropriate clothing and jackets. As the weather cools, the clothing increases and becomes more challenging to keep track of. Please label, label, label!
