

OCTOBER NEWSLETTER ROOM 7

Parents:

We have been very busy this last month getting acquainted with each other. It takes time and effort on everyone's part as we work together on lessons of the materials, grace & courtesy and rules of the classroom. Thank you for all your patience as we transition into our routine.

Science: Exploring with our senses of sight, touch, taste and smell we will have a sensorial experience with spices, leaves, pods and seeds. The children are invited to bring in items they find in the outdoors and backyards.

Cultural: Instead of focusing on Halloween we like to celebrate this time of year with things associated with fall: pumpkin scooping, parts of a pumpkin, cinnamon and nutmeg grating and smelly playdough in practical life.

Monthly Units:

North America : animals, states and countries, writing experiences, flags.

Artist of the Month: Vincent Van Gogh– learning art appreciation using stories and projects in the classroom.
