

MONTESORI ACADEMY

SEPTEMBER NEWSLETTER ROOM 7

Welcome to Parkcenter:

We begin our year with lessons in grace and courtesy. These are important aspects in the class as we get to know each other. Lessons include: walking in the room, getting teacher's attention, carrying a tray, bathroom etiquette, washing our hands, packing away our work, sitting in a chair and table manners.

As parents we are excited and interested in what our child has worked on each day, especially in our beginning days. In the Montessori classroom we work as a community with grace and courtesy. In other areas such as math, science, language, practical life and writing, work is done with the teacher, one on one or in small groups.

When you pick up your child from school a great opener from you to your child could be, "I see that you worked on..." "tell me about..." or "what was your favorite work today?" rather than "what did you do today?" Children have a difficult time telling specifics, especially our young children.

Particular study units will be posted on parent board located directly across from classroom door. Snack lists will be placed here as well. Please sign up to bring snack for the class. We look forward to a successful and fun year!

IMPORTANT CLASSROOM DATES AND REMINDERS

Toys: Please leave toys, dolls, large stuffed animals, lip glosses, etc from coming into the classroom. These things are enticing to another child and items can be broken, lost or shared, It has caused much distraction when others want to play with items during class time. They may bring something small for nap time and keep it with their bedding. Please do not bring large over-stuffed pillows and/or bedding. Each child is responsible for packing away items and we want them to be successful!

IMPORTANT ALL SCHOOL DATES AND REMINDERS
