Here is our Harvest Song for November:

(To the tune of "Way down yonder in the Paw-Paw Patch")

Pulling up carrots, put them in your basket,

pulling up carrots, put them in your basket,

pulling up carrots, put them in your basket,

Way down yonder in the carrot patch.

Reaching red apples, put them in your basket...

Way down yonder in the apple patch.

Digging up potatoes, put them in your basket...

Way down yonder in the potato patch.

Picking tiny berries, put them in your basket...

Way down yonder in the berry patch.
