

NOVEMBER 2019

Dates to Remember:

- Nov. 1st Popcorn sale .50 a bag (1 bag per child)
- Nov. 4th, Pajama Day
- Nov. 11th , NO SCHOOL
- Nov. 12th K field trip 10am Discovery Center.
- Nov. 27th—29th NO SCHOOL

We have had a great couple of months and have been talking about kindness and saying our Kindness Pledge! Our students are all practicing and showing one another grace and courtesy every day. They have begun to build great friendships! As we give thanks this month our gratitude will focus on gifts from the past, family and friendships! We will celebrate Dia de Los Muertos October 31st through November 2nd, and talk about how we are thankful for what our ancestors have given us, which embodies Mexico's Festival.

Here's to a wonderful month and a Happy Thanksgiving Holiday!

Units of Study

Geography

We will be diving deeper into North America, specifically the United States and our nearest neighbors, Mexico and Canada. Learning more about the points of interest and the flags of North America.

Science

In keeping with the season, we will study parts of the turkey, parts of a turkey feather and parts of the leaf.

Arts & Music

We will study Pablo Picasso and music from Mexico.

Kindergartners

Please remember to have appropriate clothing and closed-toed shoes for outside P.E. If you want to keep tennis shoes in their cubbies that is great!

*K's have a field trip to the Discovery Center November 12th.

Parent Tip

Our goal is to promote independence and responsibility in your children. Children should be walking into the room on their own, hanging up their coats and putting away lunch boxes on their own. Thank you for all your help in assisting our independent little ones!
