We will talk about the capitals of the states, the longest river, the highest mountain, the biggest state and some other interesting facts about our great country.

### *Arts and Music*

Our composer this month will be Ludwig Van Beethoven from Germany. We will listen to some of his work. Our artist will be Henry Matisse of France who was a painter and sculptor. We will discuss and look at some of his work.

### *Practical Life*

Thanksgiving is just around the corner, and to prepare for it we will be talking about giving thanks, helping others and discussing what we are thankful for. Our new Practical Life activity this month will be setting a table. Don't be surprised if your child wants to help with this at dinner! We will also be learning the parts of a pumpkin and turkey.

## Classroom Notes

Thank you for meeting with me for Parent Conferences. It sure is nice to chat with you all one on one.

Its getting colder outside please encourage your child to put on their own coat, hat, and gloves! Ask them about the flip....its a fun way to independently put on their own coat!
