

MONTESSORI ACADEMY

NOVEMBER NEWSLETTER Room 7

My Beautiful Families,

“Everyone must take time to sit still and watch the leaves turn.” -Elizabeth Lawrence

I hope you are all enjoying the beautiful transition of the seasons. With warm clothes, an evening walk with the family this season can be a great time to catch up and notice the birds flying south and the leaves letting go for the winter time. It is also a time to stop and be thankful. I just want to take the time and thank you all for choosing to send your child to Montessori Academy. I want to especially thank you for making Wax Museum so fantastic, as it was one of the best we have had. I am so blessed to teach at such a beautiful school. I feel honored everyday I walk through the doors.

In the classroom our cultural studies are moving from the Universe to our Earth, its layers and landforms. We are finishing up with the study of our solar system, and then we are going to into the Formation of our Earth.

As our community service for the month we will be cleaning up our playground, collecting leaves to use for compost, putting our garden to sleep and finishing some projects we started in the spring. Students can bring labeled gloves and rakes. If you would be willing to volunteer your time to help us clean, let me know. Thank you!

Looking forward to enjoying this holiday season with you! We are going to be having a Stone Soup play put on by Elementary 2 on November 22 at 9 a.m., and wonderful community lunch on November 26 called Stone Soup. More details coming soon.

IMPORTANT CLASSROOM DATES AND REMINDERS
