

NOVEMBER NEWSLETTER ROOM 6

Dear Families,

Thank you to everyone for taking time out of your busy schedules to visit with me about the progress of your children. I find I always learn so much about our little people and how they spend their time away from us when we get that little bit of extra time with the other big people in their lives.

This month, our class will be learning about the story of the Pilgrims coming to North America and the Indians who helped them as well as the meaning behind our traditional Thanksgiving meal. Discussions will follow about fundamental human needs. We will also examine what happens to the animals as the days get shorter and winter approaches by exploring the concepts of migration and hibernation.

On Wednesday, November 20th we will celebrate working together and the value of cooperation with our annual Stone Soup lunch. We will have read the story during class time, so the children will know what to expect for the feast. Please make sure your child's item arrives to school on the 14th by 9:00 am in order to add directly to our crockpot, have time to cook and be ready for lunch. No other lunch will be needed that day. The children really look forward to this event every year and the feeling it creates in making a meal together.

Thank you to all you do to help keep our classroom running smoothly, whether it is bringing Practical Life or snack items, picking up library books for the classroom or just letting us know when your child will be out. It truly is appreciated. Sincerely, CJ
