

## NOVEMBER NEWSLETTER ROOM 2

Dear Room 2 Families,

October was such a nice month. The weather and colors were beautiful. The children really enjoyed our outside time; they play together and share nicely. It was fun to watch them take turns and help each other on the bikes. The children seem eager to come to school and get right to playing with play dough before our circle time. We had an enjoyable time exploring pumpkins in October. Thanks to those who brought pumpkins in to share. We even had fun carving one; the children loved playing with the insides of the pumpkin. Also I really enjoyed our talks together at Parent Teacher Conferences. It is always nice to touch base.

This month we will be focusing on food. Foods eaten at home, cooking, and celebrations at home including food. We will continue to focus on things we see and hear in nature along with the seasons. We will also continue to work on things like rolling up work rugs, staying at our work for a long period of time, using inside voices, and following directions.

**Parent Tip:** At drop off time, telling them "it's time for me to go," just once, then leaving, is actually easier on your child than saying it several times before getting out the door. When you make the goodbye quick and positive, it gives your child confidence that they WILL have a great day and they know you will be back to pick them up soon.

We hope you all enjoy your Thanksgiving break.

Miss Estee and Miss Mia
