

NOVEMBER NEWSLETTER ROOM 4

Dear Families,

Our class celebration for the harvest season will be on November 20th. We will be celebrating with “Stone Soup.” You will be asked to bring in a portion of our meal to make our soup. Please remember that the ingredients will need to be partially cooked and brought in the day of the celebration. Watch for the sign-up on the door.

Mindset Focus

The capacity to learn is a gift; the ability to learn is a skill; the willingness to learn is a choice. -Brian Herbert

The brain can grow and change in incredible ways when pushed. The absence of practice and challenge will “fix” brain growth, while constant practice and challenge will strengthen brain growth.
