

# NOVEMBER NEWSLETTER ROOM 1

Dear Families,

Happy November Everyone!

We have community lunch coming up this month. Our yearly Stone Soup celebration. I will post a sign up sheet about a week before our lunch.

This month we will be studying Asia! We will take a look at both our political and biome maps. We will study animals, important places, people, flags, and more. Our leaf study will continue this month. We will also start looking at many peace makers and discussing their qualities and attributes. Land form studies will also start along with the characteristics of mammals.

Individual pictures will be happening this month.

Have a great month! Cheers,

Ms. Laura and Ms. Nicky

## IMPORTANT CLASSROOM REMINDERS

**If your child needs to have rain/snow boots, please send them with their boots on instead of bringing them and wearing other shoes (they can wear their inside shoes in class). Having more than 2 pairs of shoes at school is too much to store in the classroom. Thanks for your help with this.**

## IMPORTANT ALL SCHOOL DATES AND REMINDERS

Nov.10—Roscoe turns 4!!!!

Nov. 11—Veteran’s Day NO SCHOOL

Nov. 13—Individual school pictures

Nov.20– STONE SOUP COMMUNITY LUNCH
