

NOVEMBER NEWSLETTER ROOM 9

Dear Families,

What a busy but fun month we had! I want to express my sincere gratitude to all the hard work everyone did on their wax museum projects. The younger children were delighted to be able to connect with your kids! We have decided to continue building those relationships throughout the year!

This month we will participate in Rake Up Boise on November 8, 2019. This is an annual event and we are hoping to continue our relationship with the same couple from last year! Permission Slip will go out this week, all students need to be caught up on work to attend. Plan to dress for the weather as it can be very unpredictable this time of year. Also plan to bring a rake with your child's name on it.

We also have two very special assemblies this month. The first will be November first with a special guest who is a filmmaker (and great friend) who recently made a film with children speaking about specific virtues and why they are important. We even have some alumni starring in the movie! This will be a one o'clock assembly. The other assembly we have planned will be our annual presentation of the play *Stone Soup!* We will perform at 9:00 on November 22. We will also make our soup on November 26, look for sign up sheet soon to contribute ingredients.

Along with all our fun events we are also working hard! Our fourth year students are discovering Least Common Multiples and Greatest Common Factors while our fifth year students are continuing square root. Our sixth year students are stating a national writing competition along with a year long writing project!
