

December Newsletter Room 10

Dear Families,

The last month of the year is here! We talk a lot about the months of the year, days of the week, and time but at the end of the year we get to recognize the year changes too. As we use a 12 month calendar, the children can see that December is the last month of 2019 and when we return it will be a new year 2020!

We will be discussing the Christmas holiday and learn that it is celebrated all around the world. This is always an exciting time of year. We will be practicing for our holiday show. We will make some fun art projects, read lots of Christmas stories.

We will continue to talk about North America with focus on Idaho and the different cities where we all live. We will also discuss the weather changes and why it gets so cold this time of year.

The school's holiday programs will take place on Friday, Dec. 20 starting at 9:30. Each primary class will perform songs for their families. We have staggered all the classrooms to accommodate families with siblings. Our class time is at 10:50. See each classroom times below.

Wishing all of you a wonderful Winter break and a very Merry Christmas.

~ Ms. Judy

IMPORTANT CLASSROOM DATES AND REMINDERS

The winter weather is here! Please ensure your child has appropriate shoes, jacket and gloves for recess. We go outside everyday unless it is raining. Snow pants are required to play in the snow. If there is snow on the ground, they need snow boots, winter jacket and waterproof gloves. Many gloves are warm however they are not waterproof. If they do not have proper winter gear, they will have to stay inside for recess.
