

DECEMBER NEWSLETTER ROOM 4

Happy Holidays

With December comes winter, and with winter comes the snow! Just so you're prepared, please make sure your child has a pair of indoor shoes at school so boots do not need to be worn in the classroom. Also to be out in the snow having fun, your child needs snow pants, mittens, boots, and jacket.

Mindset: A Formula for Growth

1. Offering challenging work. Work that is meaningful and has value.
2. Equity versus Equality. Each child is given what he or she needs to be successful.
3. Set and communicate high expectations. "You got this". "Don't give up". "You can't do it, YET"

December themes include Reptiles and Amphibians, what are the differences? Also the continent of Europe, and Holidays.

IMPORTANT CLASSROOM DATES AND REMINDERS

Kindergarten field trip On Dec. 17th at 11:30am to the Eagle Senior Center to sing Christmas songs.

Over the Holiday break if you would like to care for the birds let me know. They really are very easy to have around.

Happy Birthday to Amillia, and Caitlyn!
