

MONTESSORI ACADEMY

DECEMBER NEWSLETTER ROOM 9

Dear Families,

I can't believe how quickly the Holidays arrived and how far we are into the school year! Time flies when you work hard and have fun! We have many things going on this month as usual.

We will spend the entire month of December writing poetry and ending the month with a poetry day. On December 19th the kids are invited to wear pajamas! We will write poems, decorate poetry books and sip on hot chocolate. This is an annual event that the kids and I look forward to. Look for a sign up sheet soon requesting hot chocolate, fruit and candy canes for the event.

We will also begin collecting warm clothing to donate to Corpus Cristi House. Donations will be collected starting December 2 and will be delivered by our class on December 19. We will receive a tour of the facility and learn about how they help our community. Students who are caught up on work are eligible to attend.

We continue to work hard on all subjects! Our fourths are learning about early humans and the many geographical aspects of our Earth. The fifths are deep into the human body studies and early civilizations. The sixths are learning about the Revolutionary War and Government and establishing the governments of their Island Projects. I love watching the children learn and grow!
