

## DECEMBER NEWSLETTER

Dear Families,

We hope you had a wonderful Thanksgiving Break with family. Holiday Season is upon us! We can feel the buzz in the classroom!

Sometimes during this season traditions might get mixed up with expectations. Trying to give your children a magical holiday experience we might fill our plates with too much. I encourage you to take a moment and realize that your child's most valuable gift is quality time with you. If things get hectic, stop, breath and focus on your child. Listen to what they want to do, share stories of your favorite holiday memories. As we all know, time flies. Holiday season can be a time of reconnecting and wonder if you let it!

At school, we will have a multicultural celebration the last day of school. Please let us know if you have a childhood tradition, craft or food, you would like to share with us.

**\*\*Please help your child be aware of the weather and what gear they need to enjoy recess time.\*\***
