

# JANUARY NEWSLETTER ROOM 8

Dear Families,

I hope you had a fun filled and relaxing break. Thank you for all the fun treats and gift.

We are having a guest speaker in the classroom to talk about healthy eating habits. We will have a contest and the whole class can win smoothies. Expect your child to ask for some healthy options in their lunchboxes!

January is a great time for teachers. Students come back re-energized and ready to learn. They know their classroom, routines, and classmates. They are ready to dig deep with projects. In class, we will start one of Montessori's coolest lessons: Time Line of Life. We learn about Geologic time and the living beings that have inhabited the Earth. Let's get rollin'!

\*Please help your child be aware of the weather and what gear they need to enjoy recess time.\*\*
