

JANUARY 2020 NEWSLETTER

ROOM 3

Montessori Academy

Geography: In December we learned about Antarctica, Polar Bears and the other animals of Antarctica and in January we will dive deeper since the kiddos seemed to love learning about this interesting continent. We will learn about the Flags of Antarctica and the interesting places!

Art: We will learn all about the Austrian symbolist painter Gustav Klimt

Science: Tiffani has put together an incredible nutrition unit she is teaching and guiding the children through.

Music: We will listen to and learn about Beethoven! We will also be practicing our school song “We Are Montessori Kids”.

Thank you all for joining us in room 3 for Cocoa and Carols, the children loved showing off their songs, works and their classroom!

Please remember to bring warm clothing for your children, as the temperatures continue to drop. WE GO OUTSIDE EVERY DAY! We request that your child always have a winter coat, gloves/mittens and a hat for outside time. Also, be prepared to bring snow boots once the snow arrives! Inside shoes/slippers are a must as we take off our cold/wet boots. Thank you!!

Happy New Year and welcome to 2020!
