

## JANUARY NEWSLETTER ROOM 4

Hello Friends!

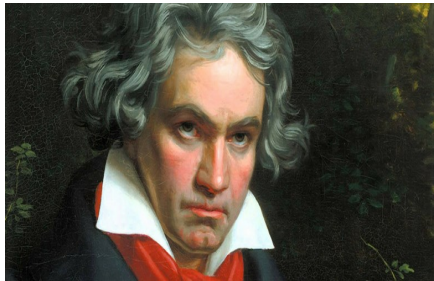

Happy New Year!! Welcome back to school! We are excited to be back and are ready to explore new things.

We will begin our new year with the study of a new composer, Ludwig Van Beethoven.

Did you know that Mr. Beethoven lost his hearing and cut the legs off his piano so he could “feel” the music on the floor of his home?

We will also begin a study of Whales. We will learn about where they live, what they eat and the many varieties that exist today. There are two main classes of whales, toothed whales and baleen whales.

We will also begin learning about a new continent, South America!
