

FEBRUARY NEWSLETTER ROOM 3

Dear Families,

February is here! Hopefully there will be news that Punxsutawney Phil did not see his shadow and spring will arrive early. Keep your fingers crossed 😊

This month our continent focus will be on Antarctica. We will look at Antarctica's biome map and discuss how the size of Antarctica changes during the seasons. We will also learn about the different types of animals that inhabit this icy continent. Our geography lessons this month will focus on the land forms isthmus and straight. We will work with the clay forms and search for these landforms on maps.

We will continue our animal classification studies by focusing on the amphibian family. We will also continue to talk about what makes an animal a herbivore, carnivore or omnivore.

IMPORTANT CLASSROOM DATES AND REMINDERS

Valentine's Day

On **Thursday, February 13th** we will have a **Pajama Party** to celebrate. We will enjoy a special snack and pass out valentines to our friends.

**Please make a Valentines Box (shoe box size) or Bag (gift bag size) with your child to collect valentines in.

**Have your child sign only their name to 23 valentines to pass out to his/her friends.

Just a reminder that the children need to be dressed properly to enjoy their cold and wet recess times. We ask that the children have a coat, hat, gloves, and snow boots. Snow pants are only needed when there is snow on the ground. Please label everything.

IMPORTANT ALL SCHOOL DATES AND

Friday, February 14th – No School – In-Service Day

Monday, February 17th – No School – Presidents Day
