

## February Newsletter Room 10

Dear Families,

This month will be exciting with Valentine's Day and all the fun that goes along with it. The students will write valentine notes and poems expressing friendships, compassion and love to family and friends.

The students may pass out a valentine for each friend in class. Please bring in a bag or shoebox for your child to decorate at school. I will have a bag on top of the cubbies as an example of a preferred size and durability. Since there will be no school on Valentine's Day 2/14 and not all students are here on Thursday 2/13, please have your child bring in their valentines **no later than Wednesday 2/12**, the students will have time slots to pass them out during work time in class.

It is pajama day for the whole school on Thursday 2/13, the students may wear their pajamas to school if they would like. Please bring extra clothes if they want to change into them and be sure they still have appropriate shoes/jackets for recess.

We will talk all about our health and how to take care of our bodies. From the inside out, we will learn about our teeth, our organs, our bones, where our water and food go and lots more. We will continue our Asia study learning about and sampling foods from different countries, we'll learn about Presidents of the United States, money and the students will work with measuring with a scale, magnetic & non magnetic as well as sink and float works.

For our peace curriculum we will discuss solving problems peacefully, identifying our feelings and how to express and process excitement, frustrations, and sadness.

I hope you all have a wonderful February,

~ Ms. Judy

### IMPORTANT CLASSROOM DATES AND REMINDERS

Birthdays - Oliver 2/10, Elodie 2/21

The Winter cold will still be with us:

Please be sure your child has warm enough jackets, hat and gloves and boots to go outside for recess for those days that are wintry cold ~ brrrrr!
