

FEBRUARY NEWSLETTER ROOM 4

Happy February

February begins with celebrating that we are now 100 days smarter! The week of the 10th will be the 100th day. During that week the children are asked to bring in a collection of 100 small things that we can count and display in the classroom.

We will also be celebrating Valentines on Thursday the 13th. On that day children can bring Valentines to share with friends. You are responsible for helping them make a box to collect their cards in. Valentines can be addressed to friend by name or just to a friend, a list will be available on the cubbies if you want to use names.

This month we will be learning about the Oceans, land and water forms and, our triangle study will continue.

*Mindset: In so many of our favorite books and movies, the characters are learning to have growth mindset too. Pick a story and read it and talk about how the character is learning growth mindset.
(Google, Top 85 growth mindset books for children)*
