

# MONTESSORI ACADEMY

## FEBRUARY NEWSLETTER ROOM 9

Dear Families,

We have another busy month in room 9! Our fifth and sixth years will head up to MOSS camp in McCall the 10-14 while our fourth year students stay behind to have a week of science and field trips! Look for permission slips soon.

We will also celebrate Valentine's Day this year with our annual Secret Valentine week. Due to MOSS Camp being the week of Valentine's Day we will celebrate the week following (18-21). The kids that would like to participate will be given another student that they will celebrate in secret each day that week. You can buy some items but we encourage mostly homemade gifts. Your child will get an information sheet on the person they pick so they can use it as a guide. On the last day of the week we try to guess who our Secret Valentine is! This is a fun way to get to know each other and celebrate our diverse personalities! Let me know if you have any questions.

This month we will also have our annual Boise Rock performance. This year it will be held at the LDS Church at the corner of Park and Floating Feather. It will be February 6 at 6 o'clock, please have your kids there by 5:45. All the groups have worked so hard on vocal harmonies and I guarantee you will notice!

We continue to work on big Math concepts this month with our fourth year students mastering cross multiplication, our fifth years multiplying and dividing decimals and our sixths conquering Algebra and cube root! That's just a small part of the amazing things we are learning together!
