

## MARCH NEWSLETTER ROOM 6

Dear Families,

Welcome to March!

Spring is just around corner and as usual, the weather can be wildly crazy from one minute to the next (kind of like a three year old). As the saying goes, "If you don't like the weather, just wait a minute and it will change." Please continue to help your child pick appropriate gear to bring to school and be comfortable inside and out. It's always fun to investigate the weather report the night before and have a discussion about what they might need in order to comfortable for the next day.

Thanks for all you do in order to help support the classroom and learning outside our walls. I love that we are all in this together.

Sincerely, Ms. CJ

### March Themes:

Solar System

Constellations

### IMPORTANT CLASSROOM DATES AND REMINDERS
