

MARCH NEWSLETTER ROOM 3

With Spring approaching this month we will study the seasons, their weather and months. We will make a graph of our daily weather patterns as well as graph our individual favorite type of weather.

In honor of the spring season we will start our morning walks again on Friday mornings. We will leave at 9:00am. When you drop your child off please have them leave their shoes and coats on.

We will travel to South America this month to learn about its biomes, animals, countries and flags. Our geography lessons this month will focus on the land forms peninsula and gulf. We will work with the clay forms and search for these landforms on maps. Our zoology focus will be on the bird family.

On the Practical Life shelves this month the children will practice using a knife by slicing cheese and pickles. Please look for the sign-up for these needs.

IMPORTANT CLASSROOM DATES AND REMINDERS

1 pair of outside boots and 1 pair of inside shoes/slippers

Even though there is no snow on the ground, the playground is still wet and muddy. Please ensure that your child has appropriate outside boots to wear while at recess. Our shoe mats are a little full because some children have 3 or more pairs of shoes. Please double check your child's collection.

Class Birthdays

Ella's 6th birthday on the 24th
