

FEBRUARY NEWSLETTER

Dear Families,

Spring is almost here! In the classroom we are delving into biology. First graders are learning about vertebrates, second graders about invertebrates and third graders are looking at 6 kingdoms of life. We will also be learning about the continent of Africa. Let us know if you have any artifacts from Africa to share.

St. Patrick's Day is around the corner. We encourage kids to create a trap and maybe this will be the year we will catch one. If your child would like to make one, they can bring it in on Mon., March 16 so we can set up in our classroom.

Lastly, Georgia Roope will be representing our school at the Statewide Spelling Bee on Sat., March 28. She would love to have some fans cheering her on!

*Please help your child be aware of the weather and what gear they need to enjoy
